

The Robin and the Traffic Jam

"There's a great big traffic jam. Horns are beeping. There are trucks, small cars, bikes that are ringing their bells. There's only one character that's getting through the traffic jam. Do you know who it is? It's a little robin hopping down the sidewalk!"

Moderato

mp This is the robin's music. All of a sudden, a big semi honks! Can you make big, low semi sounds?

6 Student and teacher freely improvise *forte*, low semi truck sounds.

8

f Move it! Out of my way! etc. But do you know what's happening to the little robin? *mp* She's just hopping on down the road. And then suddenly

11

14 Student and teacher freely improvise *forte*, higher car honk sounds.

a car honks! Can you come on around? *f*

18 *mp* Who do you think this is?

23 Student and teacher freely improvise high, soft bike bell sounds. *p*

And then a little bike bell rings.

27 Student creates *forte*, low semi truck sounds. *ff*

How about another semi sound? *mp*

And now everybody's honking!

8va - - - - -

31 Student and teacher improvise high bike bell sounds.

And the bike bell...

mp Who should get the last honk?

f The semi? The bell?

Student chooses last cluster to end.
